

August 2026 – March 2027

Dear Parent / Guardian / Financially responsible party

Thank you for your 2027 enrolment.

We value our relationship and believe that this necessitates a contractual agreement between us. Your time is precious and therefore we offer you digital signing of the contract, sent from esign@admaths.co.za after your registration has been approved.

1. WhatsApp communication and photo consent

WhatsApp opt in is strongly recommended for ALL clients.

Special correspondence, for example dispatchment of VIP parcels are only communicated via WhatsApp.

You need to Opt-in for WhatsApp communication.

This is purely for notification purposes as a few clients mentioned that they do not receive SMS's. We will create WhatsApp groups for the respective grades where **only admins** can post.

E.g.: 1. Your exam results have been uploaded to your profile Or
2. Your class has been cancelled on short notice

Please Opt in below to add your number to the grade group on WhatsApp.

To comply with the Data Protection Act of 1988, we require your permission to photograph or film your child. AdMaths SA loves giving recognition to its students.

Please indicate whether we may use your child's photograph or film on AdMaths SA's website, other social media or printed publications for acknowledgement or promotional purposes on the contract that will be emailed to you.

2. General Information

- AdMaths SA is an additional Mathematics, Physics, Chemistry and Accounting programme. We charge course fees, not tuition fees.
- Our advanced courses are aimed at learners who are already performing well in their school subjects (above 70%).
- There is an initial registration fee (for new learners) and an annual re-enrolment fee (for existing learners) that needs to be paid. See paragraph 6 for more information.

Please note that your login details (username and password) for your profiles on the websites listed below are **not the same**.

3. AdMaths Retail Online Store

AdMaths SA has an e-commerce platform, www.admathsretail.co.za where you may purchase/transact non-compulsory items like merchandise, physical copies of the study material ("term textbooks"), matric final exam registration (E.g.: IEB Further Studies Maths and/or AdMaths Internal Exam, NBT, etc.), and so forth. These products are only available at www.admathsretail.co.za.

The textbooks on this website are OPTIONAL. You can also download them on your profile at www.admaths.co.za.

Kindly note that we have Intellectual Property on the content which is included in the monthly fees and therefore term/semester books cannot be purchased in advance for the year.

Physical item orders will be couriered to your door. **(No Postnet or PO Boxes allowed)**. No pick up allowed. Please note that if you are ordering for multiple students, we require all student numbers to be captured with your order. Your cooperation in this regard will fast track your order.

Banking details and reference (order number) will be emailed from the retail system once you have ordered.

To place an order:

- ✓ **Register:** You need to register on the site (2 fields only – username and password).
- ✓ **Payment:** You may pay online with Credit Card (Payfast), EFT, Zapper (please note EFT payments have a longer turnaround time)

4. Courses 2027

4.1 AdJunior 2027 (Grade 4 – 7)

AdJunior is an advanced mathematics course for Grade 4 – 7 learners.

4.6 IEB Grade 12 Final Certificates

The IEB is responsible for the delivery of the final certificates to the learners school / writing venue. AdMaths will obtain the information regarding the date and place of delivery and inform all clients accordingly. Any other responsibilities & queries regarding the delivery of the certificates should be taken up with the IEB / school directly. Any reprints will be for the account of the client.

5. Fees and Payments

AdMaths levies a **course year fee**. Fees are subject to a yearly inflatory increase.

New clients: For 2027 newcomers there is a non-refundable amount payable at initial registration of R530.

Existing clients: there is a R210 re-enrolment fee payable by 1 December 2026.

6. Monthly invoices

Invoices are payable **by the 1st** of a month. The invoice is emailed on the 15th of the previous month. The invoice is sent even if payment for the invoiced month has already been received at the time of processing of the invoice. Our banking details appear on all invoices.

Amounts and/or totals with a negative sign indicate a credit and not a payment due, e.g. –R200.

You may submit payment via:

- ✓ EFT
- ✓ Zapper (QR code)
- ✓ Credit Card option on your admaths.co.za profile (Pay button)
- ✓ Debit order form.

Any banking costs arising from a **declined payment, cash deposit or incorrect reference** will be for the client's account.

International Clients

** International clients paying via Forex payment option (EFT) please note that there is an extra charge of R45 for the cross border payment. We suggest you make use of the Zapper QR code on the invoice or Payfast – Credit Card option on your www.admaths.co.za profile.

7. Monthly statement

We send an account statement monthly. Your latest statements (updated twice per month) are also viewable on your AdMaths Financial profile.

Amounts and/or totals with a negative sign indicate a credit and not a payment due, e.g. –R200.

8. Account in arrears

AdMaths accepts no responsibility for any contact sessions not attended and the value of these forfeited contact sessions may not be settled against your account.

AdMaths SA will charge a R55 admin fee for every month that an account is in arrears.

AdMaths reserves the right to withhold services in the case of accounts in arrears. These services may include downloadable content, access to live sessions and release of assessment results. We notify clients in advance of imminent withholding of services.

AdMaths SA reserves the right to downgrade a client to a lower package if the account is in arrears.

Accounts that have been terminated may be handed over to a collection agency and any costs related thereto will be for the clients account.

9. Cancellation / Resignation / Package migration

This contract comes into full effect upon the start date of the programme. Should we not receive payment of the registration fee by the start date of the programme, participation will be cancelled and this contract will be deemed null and void.

1. You may submit your resignation from your admaths.co.za profile or by email. Resignations will not be accepted telephonically.
2. Resignations submitted in writing in the period 1 January to 1 September will be deemed as a calendar month's notice of discontinuation of invoicing i.e. if you resign on 10 April you will not be held responsible from June onwards.
3. No resignations will be accepted after 1 September, in this circumstance the learner is required to complete the year. Additionally, if a learner writes the May exam the one month's notice is overridden and the client is held responsible for June.
4. Package migrations also require a calendar months notice in the period 1 January to 1 September.

AdMaths SA reserves the right to cancel in-person and webinar classes if those classes are no longer feasible.
